

SAINT CATHERINE OF SIENA

Woman of the Church
Woman for the World
1347-1380

This 30 minute DVD is an attempt to bring to our contemporary world and church a renewed image of this great and relevant Dominican saint, selected as the first woman Doctor of the Church along with the Carmelite Saint Teresa of Avila.

It journeys into the remarkable life of this great and revered saint whose influence upon the church, the world and her Dominican family calls out for eternal Truth to be praised, blessed and preached in all times and at all costs.
