**DOMINICAN  
Preaching in Action Conference  
for College Students  
Barry University  
Miami Shores, Fla.  
May 22-27, 2007**

For students who seek the Word of God and who are called to preach the Gospel message in their own lives.

# What's it all about?

It's about gathering together to discover how each of us is called to preach the Gospel message in our own unique way.

## What happens at the Preaching in Action Conference?

### In group discussions with new friends

You'll learn about the Dominican charism of Preaching and how that charism can be incorporated into your life.

### Through your interests

An array of speakers representing various Congregations and Provinces in the Order, will facilitate an experience of yourself as preacher using the mediums of art, dance, drama and music.

### By hearing the Word of God

You'll learn how the Word of God is so vital to the life of all Dominicans and come to know ways you can make that Word come alive.

### In prayer and the liturgy

Using musical talents, gifted voices and individual creativity, you will participate in the preparation of prayer services and liturgies that are a vital part of the conference. This powerful experience can be brought back to your own parishes, campus ministries or any other spiritual gathering.

### Move forward boldly

Awareness of the signs of the times will encourage you to fulfill your own Christian mission of Preaching the Good News. You'll be challenged to do what you have never done before: to preach the "Good News" to others.
